

## Equity-Minded Assessment Workshop for Academic and Student Support Service

This Workshop for Academic and Student Support Services features Dr. Tia Brown McNair from AAC&U. It will explore our perceptions of equity and how/what inequities can happen in higher education. And we will learn how to improve our student support services assessment work to hold ourselves accountable.

By the end of this in-person event, participants will be able to recognize some common inequities in higher education and the student experience, modify their current student support services assessment activity, and explore some tools to advance equity within the student support services assessment.
